FOREST PARK HIGH SCHOOL

BALTIMORE, MARYLAND

### RESENTING

A record of the events and happenings of life at Forest Park High School for the year 1940-1941.

HONORING

Miss Ruth Corbett Our Friend

### Dedicated to You

. . . . . the underclass girls and boys of Forest Park who play an integral role in the life of the school, this "Forester" is dedicated.

OREWORD

We have not attempted to be novel or different with our "Forester"; rather we have worked simply for the production of a book that will be the embodiment of the spirit of Forest Park. If we have caught just a little bit of that spirit, and if in later years, our "Forester" brings back memories of happy school days, we shall feel that our end has been achieved.

### OFFICE

The office of Forest Park is the place where policies established by the Board of Education and Board of Superintendents are translated by administration, into the many techniques and devices which are required to set up the organization of the school, start it running, and keep it going in such a manner that each pupil may have the best opportunity to develop his capacities in keeping with the best interests of society. The size and nature of the school are such that a very complicated and detailed organization is required. This involves a large quantity of work on the part of the administration and the office staff, making it imperative that all parts of this great human machine known as Forest Park High School function accurately, cooperatively, and at exactly the right time.

This perfect functioning results in the spirit of Forest Park.

### HOSPITAL

Knowledge acquired in the classroom, through the tolerant and openminded exchange of ideas, will become the underlying factor in guiding our lives, and the lessons learned from our contacts and friendships will influence our actions.

CLASSES

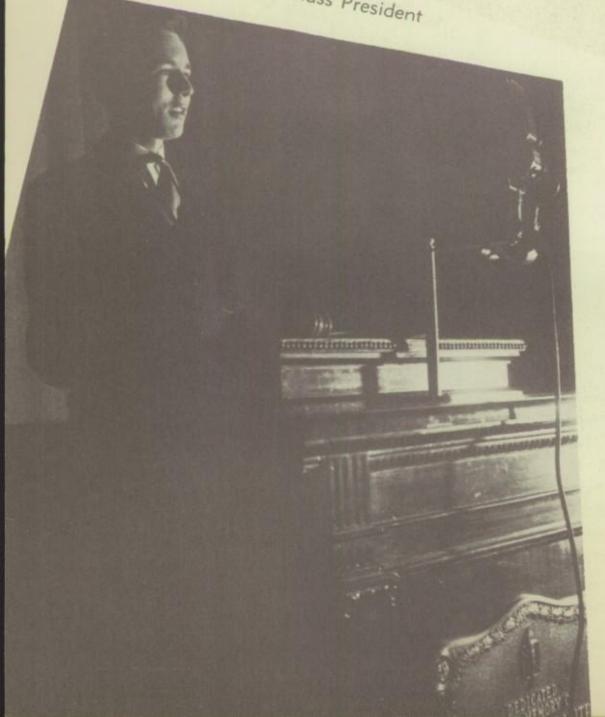

### SENIOR OFFICERS

### DANIEL M. LONG

The success of our last half year at Forest Park is largely due to the efforts of our president, Daniel Long. His originality, able leadership, and versatility have upheld the high standards of our class and the fine traditions of the school. His pleasing personality has led to more harmonious actions on the part of every individual in our year. Were it not for Danny, we could not have truthfully predicted the successful outcome of our Senior activities.

DANIEL M. LONG Senior Class President

### OUR CLASS

If any individual in the class were asked what he thought the most important characteristic of our organization has been, he would most likely answer with one word. It is "cooperation". This fact has been evident since our first project, the Child's Study and Nursing Home entertainment. Were it not for this inherent characteristic, the ensuing activities—Junior Prom, Junior Day, Senior Farewell Dance, "Forester,"

Senior Play, Prom and Banquet, and the Graduation would not have been the success that everyone proclaimed them to be.

Undoubtedly, our class has stood together in everything we have undertaken. This would not have been possible had it not been for our adviser, Miss Ruth Corbett, and the friendly spirit that existed between Miss Corbett and the students.

## ''LADIES OF

MISS ETTA W. SMITH Coach, Senior Play

#### LADIES OF THE JURY

By Fred Ballard

The most notable performance of the year was that of the sophisticated comedy, "Ladies of the Jury" by Fred Ballard. In this delightful farce, opportunities for effective dialogue and dramatic portrayal were well distributed among the members of the cast. Terry Towson gave a convincing characterization of Mrs. Gordon, the widow, on trial for killing her husband. The character acting of Blooma Kanter in the part of the wealthy and worldly jurist was exceptional. Murray Friedlander proved to the Forest Park theatergoers his dramatic ability by the skillfulness with which he portrayed Steve Bromm. Danny Long came through with an adequate character portrayal as the foreman of the Jury, while Joline Kaplan, cast as the tightlaced old maid, carried off an unsympathetic part with ardor and conviction. Joel Rosenblatt was a "natural" as Spencer Dazey, the nagging insurance man, and Mervin Coblenzer was splendid as the officer in charge of the jury room. Erlaine Dietrich and Bill Jolly gave their acting all the necessary vigor and dash.

The cast was well chosen and the smooth performance of the play showed the able direction of Miss Etta Smith. Miss Smith had all the local critics raving over her play.

These suggestions must be approved by the Faculty Advisory Committee before being presented to the student body. Membership is honorary and is limited to those students who are interested and capable. This year the committee presented an assembly to the ninth and tenth grades showing a typical advisory period.

This service organization stands for the preservice of the high ideals and traditions of the by the following verse:

Mallonee (21) stops Southern with Plovsky (5) on bottom.

The Green and Gray football squad, uncertain at the beginning of the season, developed into one of the strongest teams the Foresters have seen for many years. They ran roughshod over Vocational, Calvert Hall, Mt. St. Joe, and Patterson Park; tied Southern, Severn, and Poly; but were battered into submission by their deadly foes, City College and McDonogh.

The Foresters' line which appeared rather dubious in the initial games turned out to be one of the strongest developed in several years. Lloyd Mallonee, Robert Perilla and Walter Phillips were mainstays of the line. All Marylander Charles Godwin was very good on end and George Runk was equally good on the line and in the back field. Harry Robbins carried the brunt of the Foresters' attack but Salvatore DiPaula on many occasions broke away on long runs. "Chuck" Creswell, All Marylander, did most of the plunging, passing, and kicking and proved to be very valuable.

## FIELD HOCKEY

Forest Park's field hockey season was greeted by many enthusiasts. Last year's veterans plus many newcomers donned shin guards and began practice on Tuesday and Thursday afternoons and Saturday mornings. These girls soon showed themselves to be promising material with a fine spirit, good team work, and cooperation.

Forest Park and Patterson's varsity teams tied for the city championship, each having five points to its credit. Another tie occurred between the Forester's junior varsity and Western with six points each.

This year, Mr. Walter Scheid took over the job as varsity ice hockey coach with Mr. Sims serving as advisory coach. The Foresters are expected to be in the midst of the fighting this season largely due to Charles Godwin who was the high scorer of the Scholastic League last year. Robert Smith is back for defense duty with Robert Mallonee and Fred Nordhoff, wingmen from last season. Clarence Creswell has been converted into a goalie and is using his big frame to good advantage in front of the nets. Several newcomers showing up well are Robert Edie, Carl Ortman, Dick Sentz and Lloyd Mallonee.

# LACROSSE

Funny fishnets, a little hard ball, and plenty of pep, with fast running are things which we associate with our Lacrosse team. This year, Forest Park entered the fast A Conference after dominating the B Conference for the past two years. Despite the presence of a well-balanced team, the competition proved too much and only two teams were defeated by Coach McClean's boys. Outstanding members of the team were Lloyd Mallonee, Charles Godwin and Ray Hardesty.

Park's baseball team although studded with veterans finished the season with a record of three victories and five defeats. The main drawback was the pitching staff. Veteran Jimmy Jones was an outstanding first baseman and Irv Kramer, whose stamping ground was behind home plate, was the heaviest hitter. Graduation this year takes all four of the players who hit over .300. However, five men will return

# VOLLEYBALL

First Row—G. Kahn, C. McCarthy, B. Smith, H. Horan, S. Thomas, E. Wolfe. Second Row—B. Jacobs, D. Mallonee, U. Nichols, E. Austin.

The volleyball season was greeted by nine veterans who were determined to maintain the City championships of 1938 and 1939. The squad worked hard under the excellent coaching of Miss Lucy Hyde and easily won their two practice games with Catonsville and Franklin High. When interscholastic tournament time came, the varsity defeated its opponents without much trouble and again was crowned city champions.

With the exception of two players, the junior varsity was new this year. Miss Hyde's able coaching likewise improved the jay-vee which successfully won its practice games. The efforts of all the players were rewarded when Forest Park conquered her interscholastic foes. This is the first time that the junior varsity has won the city championship.

their goal.

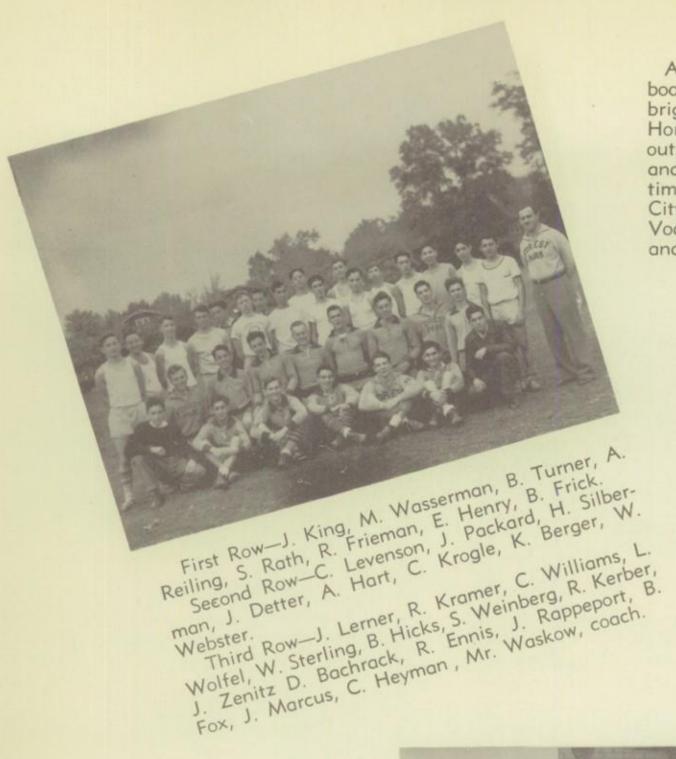

# GOLF

For many years, the girls' golf team has been defeating Eastern High School, the only rival, in an annual golf match.

Bad weather prevailed last spring and postponed the golf season until the fall. At that time, our girls played matches with each other to determine a champion. Next year, Forest Park's veteran team hopes to have some other schools meet it on the green in order to enlarge its present schedule and to provide more competition.

Members-D. Hogarty, A. Siedman, J. Hogarty.

#### SOCCER

A mediocre season for the booters was not without its bright spots, because Ross Hornsby developed into an outstanding goalie. Southern and Park were the only victims of the Foresters while City College, Mt. St. Joe, Vocational, Navy Plebes, and Poly overpowered them.

# BADMINTON

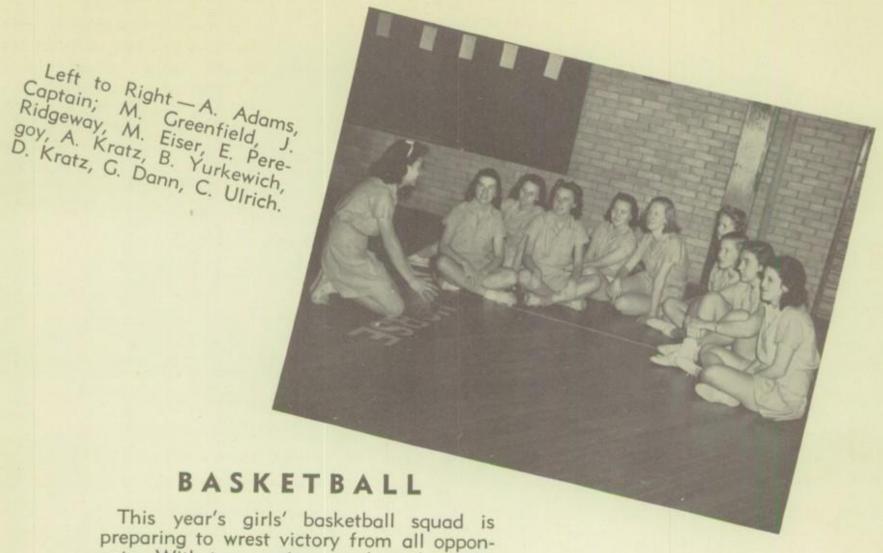

Badminton is a pleasant and thrilling diversion for our girls. Its growing popularity is evidenced by the marked increase in membership.

This year's girls' basketball squad is preparing to wrest victory from all opponents. With two varsity guards and a complete veteran junior varsity returning to the court, this hope should be fulfilled.

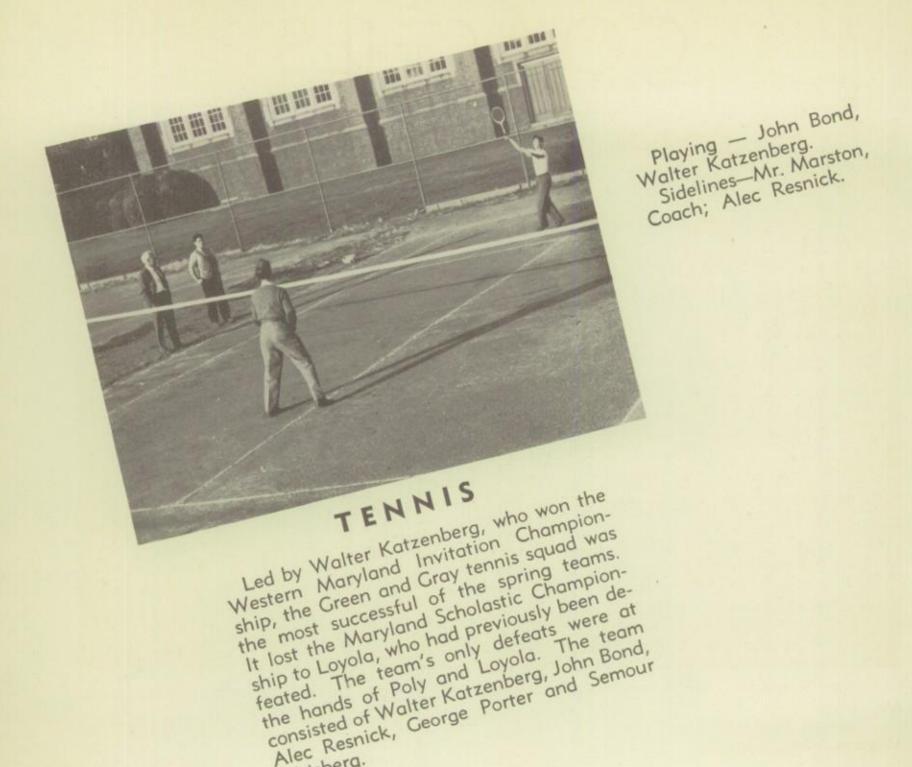

At the end of the season last year the varsity found itself in fourth place while the junior varsity wound up in third place.

# FENCING

The girls' fencing team lunged into action last year for its first competitive season under the guidance of an expert fencer, Mr. Kurland, and met with some success. With many veterans "on guard" this year, it is looking forward to a victorious season.

## GOLF

The Green and Gray team was fortunate this year in having among its members Howard Kazmaier, who won the Annual Maryland Scholastic Golf Championship wth a 77 card. Other members of the team were Towner Stahley, Carroll Coleman, and Sylvan Aronson.

# APPRECIATION

The "Forester" staff began the preliminary planning of this book with practically no knowledge of the vagaries of publication work. The road from the inception of the dummy to its ultimate completion was long, tedious, and rocky. Frequently, the student editors had to seek advice and guidance from their friends on the faculty. Helpful suggestions were always forthcoming; therefore, the editors of the February "Forester" of 1941 are especially grateful for the capable work and kind cooperation of the following:

Mr. Henry G. Hirsch for his willing counsel.

Mr. Samuel Goldsmith and Mr. Edward Goldstein for their excellent cooperation.

Mrs. Helen Brooks, Miss Alice Ekas, Miss Rosetta Feldman, and Mr. Michael Leipholz for their understanding and kindness in urging us on toward our goal.

Mr. Sidney C. Schultz of the H. G. Roebuck Company for his technical advice on printing, his patience and understanding of our many problems, and his sincere desire to publish a successful book.

Mr. Karl H. Segall and Mr. David Goldberg of the Majestic Studios for their photographic interpretations.

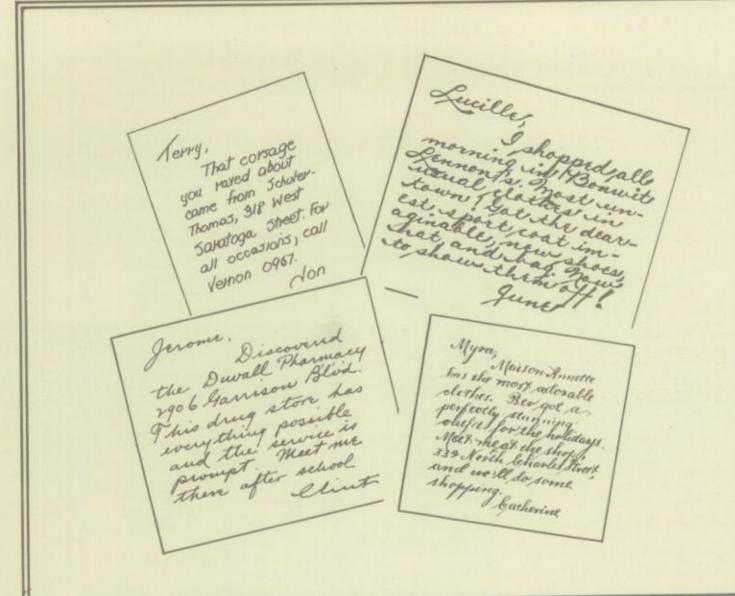

Last, our good friends who advertised in the February 1941 "Forester."

Employers ask our placement bureau for girls with secretarial skill, trained telephone voices and self assurance. Bard-Avon training meets these demands. Last year Bard-Avon had several times as many secretarial and office positions to fill as there were students in the school. "Every graduate who wished a position has one".

Organized in 1924

To the Members of the Graduating Class of February 1941:

Congratulations! You have reached a most important stage in your education. Some of you will carry on in other schools, others will seek other fields of endeavor. We wish you well in your chosen field. Remember that one of life's priceless treasures is knowledge, and you should not tire in your search of it.

The P. T. A. meets the first Tuesday in each month at 8:15 P. M. in the Forest Park High School. Every parent is invited to join in the effective work carried on by this organization for the benefit of the students of our school.
